Foreword

The word is Recall! We, the 1966 Annual Staff, wish to recall some of the memories of the days spent at Ardmore High School such as:

The laughter of the students echoing through the halls; the quietness of classrooms with children at work; the enthusiasm before ball games; the stampede for the cafeteria at noon; the dedication of the teachers to their task of preparing the students for their role in later life; and the cherished and everlasting friendships.

With these memories in mind we present the 1966 Tiger!

It takes a sporting attitude and a willing mind, along with hard work, to put together the school activities into a long-lasting memory."

Dedication to John Stanley Johnson

We dedicate:

In memory of Stanley Johnson who was called from our midst May 14, 1965.

God knows it were better to be deep
Pillowed in silk and scented down
Where Love throbs out in blissful sleep
Where hushed awakenings are dear.

Yes, Stanley met his Rendezvous with Death, sustained and soothed by an unfaltering trust, Like one who wraps the drapery of his couch about him and lies down to pleasant dreams.

We miss him, yet we can say with the poet:

We know not what the future hath
Of marvel or surprise,
Assured alone that life and death
God's mercy underlies . . .

FACULTY

Our Principal

Mr. Robert E Witt

Dear Seniors,

It is education which gives man sane reasoning, good judgement, and eloquence in expressing his opinions.

Education is the key that unlocks many doors to "opportunity." Education is made up of words and the greatest of all words is Ambition. We hope you have acquired through your high school years the ambition to become useful citizens. This can be best accomplished through constant application of your God-given talents.

This year is just the finish to the real beginning of life. We hope you have made preparations here to meet the future with confidence.
